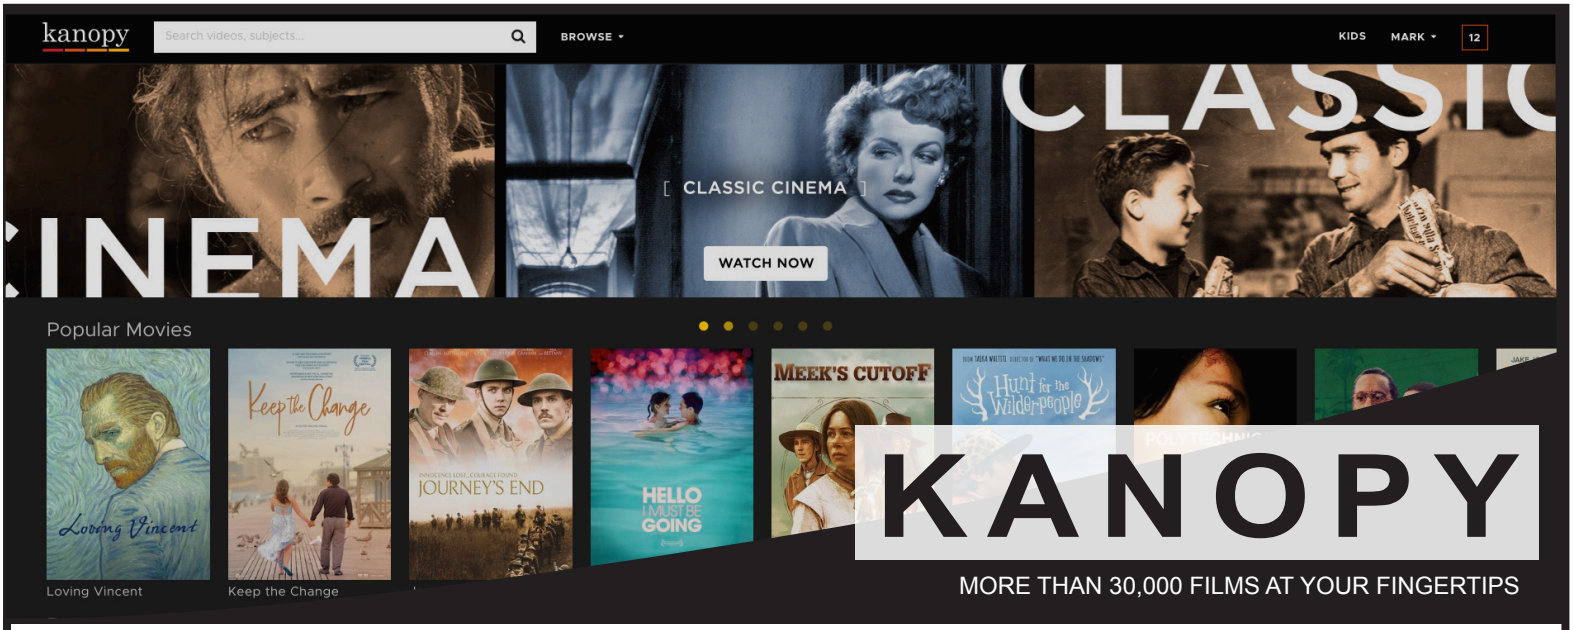
Morton Grove Public Library

30th ANNIVERSARY

BOOKS & BEYOND

October - November 2018



The popular on-demand film streaming service KANOPY is now available for free at MGPL!

Offering what the *New York Times* calls "a garden of cinematic delights," Kanopy showcases more than 30,000 of the world's best films, including award-winning documentaries, rare and hard-to-find titles, film festival favorites, indie and classic films, and world cinema with collections from Kino Lorber, Music Box Films, Samuel Goldwyn, The Orchard, The Great Courses, PBS and thousands of independent filmmakers.

Kanopy provides access to films of unique social and cultural value; films that are often difficult or impossible to access elsewhere, and programming that features diversity, with a wide array of foreign language films and films on race, and current affairs.

The Kanopy collection includes indie hits like *Hunt For the Wilderpeople* and *2 Days in Paris*, classic masterpieces like *Aguirre, the Wrath of God and Seven Samurai*, and award-winning documentaries like the 2017 Oscar®-nominated *I Am Not Your Negro* and Sundance Film Festival winner *Mother of George*.

Morton Grove residents with library cards can access Kanopy and sign up to start streaming films instantly by visiting **www.mgpl.kanopy.com**. Films can be streamed on a computer, TV, or mobile device by downloading the Kanopy app for iOS, Android, AppleTV, Chromecast or Roku.

Stop by the Info Desk if you have questions about getting started with Kanopy or if you are looking for a recommendation as to what to watch. (On that note, *The Duellist*, Ridley Scott's first and, arguably, best film is on Kanopy..just sayin')

HAPPY STREAMING!
